LETTER FROM THE BOARD

CMH Community,

I started drafting this letter as I usually do, looking back to the most recent letter to make sure I'm providing updates on the topics discussed last time. It's almost incredible that the terms COVID-19, pandemic and remote learning were nowhere to be found. How much has changed in so little time.

Most important, to my knowledge, the members of our CMH community have been healthy and safe throughout this ordeal...at least so far. However, I'm sure most families have extended family or friends who have been deeply affected by the pandemic. Our thoughts and prayers go out to all of those fighting through illness and to those fighting to help others recover and stay safe.

A close second priority is to thank the teachers and staff of CMH who have exhibited incredible agility to keep the learning process in motion. While this isn't a situation any of us would have chosen, CMH continues to operate with the best interest of students in mind. I think it's safe for me to say that the teachers have greatly appreciated the feedback and support of parents during this unique time. We're all learning new things throughout this process.

The primary work of the Board of Trustees has been to assist Casey and Susan in their efforts to manage the business of the school and the new challenges we're facing. Most important, I'm happy to say that CMH, with the help of Stock Yards Bank, was able to quickly secure a Paycheck Protection Program (PPP) loan and had funds deposited in our account within roughly a week of submitting the application.

The PPP loan is designed to help small businesses cover the costs of payroll, utilities and mortgage interest while its ability to generate income is negatively impacted by the shutdown. In our case, we are losing income from programs like Early-Birds, After-Care, More Montessori, After-School Clubs, and we are likely to lose some portion of income from the annual auction and summer camps. Also, the loan enables CMH to pay base wages to the hourly-paid classroom assistants, office staff and others who would otherwise not be paid.

Our assumption today is that we will be back to a normal classroom setting starting next school year. We'll see, and we'll adjust if needed. What we've learned over the last six weeks or so will serve us well in the future.

We appreciate your commitment to CMH. We all miss the way it was, and we will do our very best to keep the community close until we can be together again. The next big opportunity to show your support is the upcoming virtual Love Auction. The annual auction is our most important fundraising activity of the year, and your generosity is needed now more than ever.

This is my last opportunity to address you in this newsletter as President of the Board of Trustees. My three-year term ends at our August 2020 meeting, as we transition to a new leadership team. I appreciate the opportunity I've had to work with Casey and the other Board members so closely over the last 6+ years. It's a great group of people who care deeply about the educational experience CMH provides to the kids and the importance of a community that works well together and supports each other.

So, one last time I say, the best way you can support CMH is by using your voice to tell your friends and neighbors what an awesome place CMH is for your children...and could be for theirs!

Stay safe. Stay healthy. Stay committed to CMH!

LETTER FROM THE DIRECTOR

CMH Community,

CMH has persevered during this unforeseen crisis due to the unwavering commitment of all of you in our steadfast mission and vision for our beloved school. When businesses speak of their stakeholders, CMH sees the faces of families we have served in the past, present and future, our devoted staff that partners with those families in honor of their children, and a Board of Trustees that thoughtfully oversees our finances and supports me in my endeavors.

What an inspiration you have all been during this uncertain time of balancing your own personal and professional situations. There are so many people to call out, but here are just a few I would like to take a moment to highlight:

- Parents that have stepped up to support the e-learning needs of their children after choosing a Private-Montessori education.
- Teachers that have been so creative and relentless in their pursuits, with such a swift change to their job descriptions and teaching approaches.
- Staff members that have jumped in to help in such innovative and dedicated ways to assure the operations of the school, children, teachers, and parents are being met.
- Board Members that have volunteered countless hours of time researching the ever-changing options available to a small non-profit organization like CMH.
- The Auction Committee who quickly shifted gears with a return to our "Love Auction" roots in a virtual capacity, because they understood the event was necessary to the financial well-being of our school.
- Alumni families and students that continue to check in and connect with us on Facebook and in personal ways to celebrate the school they love; these reminders on our most challenging days revitalize us on why the mission and heart of CMH is so vital to all.
- The Loveland community, that continues to offer support, recognition and encouragement to our beloved school that resides just up the hill from the historical downtown district.
- The students, oh how these children have been so resilient in facing all of these changes with such grace and growth as they also overcome the devastating losses of all they knew and anticipated this spring.
- And finally, to those have who have been the advocates and crusaders of spreading support, generosity, gratitude and joy in our school community with words and actions of hope and appreciation- we have been unbelievably humbled and honored to serve you.

Please accept and embrace this heartfelt **THANK YOU** from me on behalf of us all.

CMH is only as strong as our **COMMUNITY** and we are looking **SOLID** my friends!

Be and Stay Well,

Casey Reed
CMH Director
